Confirmation form for testing requirement

Please be advised: Children who have completed their first year and who have not yet entered primary school can only be cared for in a childcare facility if their parents and/or legal custodians provide evidence three times per week that their child has tested negative for the coronavirus. This regime comes into effect 10 January 2022.

Hereby I / we declare that my / our child is tested for the coronavirus three times per week and will only be brought to the childcare facility if the test result is negative.
